G. Section 943(b)(1). The Plan complies with the provisions of the Bankruptcy Code made applicable to this Chapter 9 Case by sections 103(e) and 901 of the Bankruptcy Code.⁵ In particular:

1. *Section 1122*. In accordance with section 1122(a) of the Bankruptcy Code, Section II.B of the Plan classifies each Claim against the City into a Class containing only substantially similar Claims. The legal rights under applicable law of each holder of Claims within each Class under the Plan are substantially similar in nature and character to the legal rights of all other holders of Claims within such Class. No Claims were separately classified under the Plan to gerrymander favorable votes with respect to the Plan. In accordance with section 1122(b) of the Bankruptcy Code, Convenience Claims are separately classified in Class 15 under the Plan solely for the purpose of administrative convenience.⁶

2. *Section 1123(a)(1)*. In accordance with section 1123(a)(1) of the Bankruptcy Code, Section II.B of the Plan properly classifies all Claims that require classification. Valid factual and legal reasons

⁵ Section 901 of the Bankruptcy Code incorporates into chapter 9 the following chapter 11 provisions relevant to plan confirmation: sections 1122, 1123(a)(1)-(5), 1123(b), 1123(d), 1125, 1126(a)-(c) and (e)-(g), 1127(d), 1128, 1129(a)(2), 1129(a)(3), 1129(a)(6), 1129(a)(8), 1129(a)(10), 1129(b)(1) and 1129(b)(2)(A)-(B) of the Bankruptcy Code. *See* 11 U.S.C. § 901(a).

4. *Section 1123(a)(3).* In accordance with section 1123(a)(3) of the Bankruptcy Code, Section II.B of the Plan properly identifies and describes the treatment of each Class of Claims that is impaired under the Plan.⁹

5. *Section 1123(a)(4).* In accordance with section 1123(a)(4) of the Bankruptcy Code, the Plan provides the same treatment for each Claim of a particular Class unless the holder of such a Claim has agreed to less favorable treatment.¹⁰ Because ASF Recoupment is a restorative mechanism

12. *Section 1123(b)(6).* In accordance with section 1123(b)(6) of the Bankruptcy Code, the Plan includes additional appropriate provisions that are not inconsistent with applicable provisions of the Bankruptcy Code, including, without limitation, the provisions of Article III, Article IV, Article V, Article VI, Article VII and Article VIII of the Plan.¹⁸

13. *Section 1123(d).* In accordance with section 1123(d) of the Bankruptcy Code, Section II.D.4 of the Plan provides for the satisfaction of Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan in accordance with section 365(b)(1) of the Bankruptcy Code. 16. *Section 1129(a)(3).* The Plan has been proposed (a) in good faith; (b) with honesty, sincerity and good intentions; (c) with a basis for expecting that an adjustment of the City's debts and an operational restructuring of the City can be effected; and (d) not by any means forbidden by law.⁴⁴ The Plan and the treatment of Claims thereunder are, and the process pursuant to which the City has sought Confirmation thereof has been, fundamentally fair to the City's creditors.⁴⁵ The purpose of the Plan is to adjust the City's debts to enable the City to reverse its decades-long financial decline, eliminate its service delivery insolvency, restore adequate municipal services to its residents and meet its future financial obligations, consistent with the overarching remedial purpose of chapter 9

and the objectives and purposes of the Bankruptcy Code.⁴⁶ The City's good faith in proposing the Plan and its prior versions, and fundamental fairness in dealing with its creditors, is further evidenced by the fact that the Plan (a) incorporates multiple key settlements that are the result of extensive arm's length negotiations (often conducted within the context of Court-ordered mediation) between the City and representatives of a large proportion of its creditors, (b) has been proposed with the support of the City's largest creditor constituencies and (c) is feasible (see ¶¶ M.4-14 below).⁴⁷ In so finding, the Court has considered the totality of the circumstances in this Chapter 9 Case.

17. *Section 1129(a)(6).* Section III.A.7 of the Plan provides that the obtaining of any authorizations, consents and regulatory approvals necessary under applicable nonbankruptcy law is a specific condition to the effectiveness of the Plan, consistent with the language of section 1129(a)(6) of the Bankruptcy Code.⁴⁸ The Board of Water Commissioners will continue to have all authority to set and approve the water and sewerage rates charged by the DWSD,

provided that, if a DWSD Authority is approved and formed, such rates would be determined by the board of such DWSD Authority.⁴⁹

18. *Section 1129(a)(8).* The Plan has not been accepted by all impaired Classes of Claims because (a) Classes 14 and 15 (collectively, the "Impaired Rejecting Classes") have voted to reject the Plan⁵⁰ and (b) consistent with section 1126(g) of the Bankruptcy Code, the holders of Claims in Class 16 (Subordinated Claims) (who receive no Distributions pursuant to Section II.B.3.w.i of the Plan) are deemed to have rejected the Plan.⁵¹ Nevertheless, as more fully explained below, the Plan is confirmable because it satisfies section 1129(b) of the Bankruptcy Code with respect to such Impaired Rejecting Classes.⁵²

19. *Section 1129(a)(10).* The Plan has been accepted by the following impaired Classes of Claims that are entitled to vote on the Plan, determined without including any acceptance of the Plan by any insider: Classes 5, 7, 8, 9, 10, 11, 12, 13 and 17.⁵³

20. *Section 1129(b)(1): Unfair Discrimination.* The Plan does not discriminate unfairly against the Impaired Rejecting Classes.⁵⁴ For purposes of the unfair discrimination analysis, and based on the facts and circumstances of this case, it is appropriate to discount the City's future pension liabilities to present value using either risk-free rates or a surrogate for commercial annuity rates (such as rates established by the Pension Benefit Guaranty Corporation (the "PBGC")) because the use of a higher rate would shift undue risk onto the City's pensioners.⁵⁵ Contributions made by parties other than the City that are directed toward holders of Pension Claims (including any such contributions made pursuant to the State Contribution Agreement and the DIA Settlement) should be disregarded for purposes of the unfair discrimination analysis.⁵⁶ After adopting appropriate discount rates for the valuation of Pension Claims and disregarding contributions directed towards holders of Pension Claims by third parties, estimated recoveries on Pension Claims are reduced to (a) ____%, with respect to GRS Pension Claims, and (b) ____%, with respect to PFRS Pension Claims.

21. The valuation and treatment of Pension Claims and OPEB Claims by the City and the Retiree Committee is reasonable. Specifically, the calculation of the aggregate amount of Pension Claims is accurate and based upon a reasonable methodology and reasonable assumptions.⁵⁷ In addition, based on the facts and circumstances of this case, the negotiated assumed investment rate of return of 6.75% on pension assets is a reasonable prescribed assumption by a government entity that concurrently addresses investment volatility and benefit funding issues.⁵⁸ The calculations and treatment of (a) the aggregate amount of OPEB Claims by the City prior to the settlement between the City and the Retiree Committee related to the allowance and calculation of OPEB Claims (the "OPEB Settlement") and (b) the aggregate amount of OPEB Claims agreed upon by the City and the Retiree Committee pursuant to the OPEB Settlement are accurate and based upon reasonable methodologies and reasonable assumptions.⁵⁹ Moreover, the use of PBGC discount rates for governmental retiree liabilities to calculate the

present value of retiree health liabilities in the context of the City's settlement with the Retiree Committee is reasonable.⁶⁰

22. The extent of any differential in treatment between Classes of unsecured Claims under the Plan is: (a) fair, whether the City's future pension liabilities are discounted to present value using the 6.75% rate set forth in the Disclosure Statement or, in the alternative, a risk-free or commercial annuity rate; (b) proposed in good faith; and (c) not motivated by animus. Critical business considerations justify the differential treatment of Pension Claims. Such considerations include, but are not limited to, the need for the City to: (a) address its service delivery insolvency; (b) maintain a stable and motivated workforce and strong union and employee relations; (c) address the expectations of creditors under the Michigan Constitution; and (d) confirm a workable plan of adjustment.⁶¹ The reasonable expectations of creditors further demonstrates that the differential treatment of Pension Claims is fair and reasonable because, while many of the City's institutional creditors affirmatively chose to invest in the City and possessed both the experience and sophistication necessary to evaluate the risks related to

such an investment, individual holders of Pension Claims had no meaningful opportunity to protect themselves from such risk because they had little control over how much the City contributed to pensions, how pension assets were invested and how the Retirement Systems were operated.⁶² In addition, the treatment of Pension Claims, COP Claims, Limited Tax General Obligation Bond Claims and Unlimited Tax General Obligation Bond Claims is fair because, in each instance, it is the result of arm's-length, intensely negotiated settlements between the City and the respective creditors and their representatives and is based on the asserted differing legal rights of, and litigation brought by, such parties.⁶³

23. The extent of any differential in treatment between Classes of unsecured Claims under the Plan is fair under the standard articulated in In re Aztec Co., 107 B.R. 585 (Bankr. M.D. Tenn. 1989). In each instance, there is a rational and legitimate basis for the differential treatment, which is necessary for the City's restructuring. The Plan's treatment of Pension Claims is supported by a reasonable basis because it: (a) minimizes the adverse impact of necessary pension benefit reductions on the City's current employees, whose ongoing motivation and cooperation (as well as that of the unions that represent the employees) is vital to

the City's recovery and to the health, welfare and safety of its residents; (b) is the result of settlements between the City and the Retiree Committee, the Retirement Systems and certain unions and retiree associations; and (c) reflects the reasonable expectations of the holders of Pension Claims, as set forth above.⁶⁴

24. A reasonable basis also exists for the differential treatment of (a) Limited Tax General Obligation Bond Claims and Unlimited Tax General Obligation Bond Claims, because the treatment of such Claims reflects (i) the results of protracted and comprehensively negotiated settlements between the City and the holders of such Claims and (ii) the claimants' arguments to relative priority and security under State law; and (b) COP Claims, because the treatment of such Claims reflects (i) the results of protracted and comprehensively negotiated settlements between the City and the holders of such Claims and the resolution of substantial litigation in connection therewith and (ii) the long-term value to the City of the substantial investment in, and redevelopment of, City assets under the settlements between the City and the holders of such Claims.⁶⁵

25. It would be practically impossible to confirm a workable plan without discriminating among unsecured creditors because, with respect to Pension Claims in particular, the City's recovery will turn in large part on its ability to marshal the support of its residents in general and its retirees, employees and their labor unions in particular.⁶⁶ With respect to Limited Tax General Obligation Bond Claims, Unlimited Tax General Obligation Bond Claims and COP Claims, the settlements achieved by the City removed the risk of ongoing litigation over their respective asserted priorities, which litigation posed a significant obstacle to the City's ability to confirm a workable plan.⁶⁷ The City's proposal of the differential treatment between Classes of unsecured Claims under the Plan was made in good faith and was not motivated by personal animosity or antipathy.⁶⁸ The Plan treats holders of Claims in the Impaired Rejecting Classes as well as possible under the circumstances.⁶⁹

26. The Plan does not discriminate unfairly against Class 16 (Subordinated Claims) because the Claims within such Class are subordinated to all other Claims classified under the Plan in accordance with section 510(b) of the

27. *Section 1129(b)(1), (b)(2): Fair and Equitable.*

The Plan is "fair and equitable" with respect to the Impaired Rejecting Classes.

Under the Plan, the holders of Claims in the Impaired Rejecting Classes will receive all that they can reasonably expect under the circumstances.⁷¹

28. The City is legally prohibited from raising tax rates above their current levels, which rates are higher than those in neighboring communities and among the highest in Michigan.⁷² Even if the City could legally increase tax rates, doing so would not increase the City's revenues because the City has reached its practical taxable limit, *i.e.*, tax saturation, meaning that any further tax increases on Detroit residents most likely would (a) exacerbate the City's already high tax collection delinquency rate, (b) continue the flight of residents and businesses from the City, (c) disincentivize inflow of prospective residents and businesses, (d) destabilize growth and (e) ultimately reduce the City's overall tax

revenues.⁷³ Even if the City could legally raise property tax rates, for example, doing so would yield little if any additional revenue.⁷⁴ The loss of population in Detroit has compounded the City's financial difficulties and led to additional cutbacks in municipal services – which cutbacks, in turn, have led to continuing losses of population, industry and tax revenues. Increasing the tax burden on Detroit residents would only perpetuate this vicious cycle.⁷⁵

29. Although the City is unable to increase creditor recoveries by raising tax rates, the Plan provides for multiple new sources of revenue, cost saving initiatives and settlements that improve recoveries for creditors.⁷⁶ The transactions associated with the "Grand Bargain" will generate at least an additional \$816 million in nominal revenue for the benefit of the holders of

Pension Claims.⁷⁷ In addition, the City has entered into favorable settlements with representatives of the holders of Pension Claims, OPEB Claims, COP Claims, Unlimited Tax General Obligation Bond Claims, Limited Tax General Obligation Bond Claims and Indirect 36th District Court Claims.⁷⁸ The difference between the amounts asserted by such claimants and the amounts accepted in settlement of such Claims redounds to the benefit of all the City's stakeholders. The successful implementation of the reinvestment initiatives incorporated into the Plan (the "Reinvestment Initiatives") is indispensable to the City's efforts to provide its creditors with as significant a recovery as could be expected under the circumstances, and the maximization of such creditor recoveries influenced the design of the Reinvestment Initiatives.⁷⁹ In addition, absent confirmation of the Plan, the City would not have the ability to access the capital markets on reasonable terms, meaning that the issuance of numerous and large judgments against the City would quickly deplete the City's limited resources and its tax base.⁸⁰

30. Because Michigan Public Act 236 of 1961, the Revised Judicature Act, M.C.L. §§ 600.101, *et seq.* (the "Revised Judicature Act"), provides the sole remedy under State law for the City's creditors to recover on their claims, under State law, the City cannot be compelled to liquidate City-owned assets to satisfy creditors' claims.⁸¹ The City also cannot be compelled to sell any City-owned assets under the Bankruptcy Code, because, in chapter 9 cases, section 904 of the Bankruptcy Code prohibits the Court from interfering with "(1) any of the political or governmental powers of the debtor; (2) any of the property or revenues of the debtor; or (3) the debtor's use or enjoyment of any income-producing property."⁸²

31. It would be impracticable for the City to liquidate the art collection housed at the DIA (the "DIA Collection") in an attempt to maximize creditor recoveries.⁸³ Because (a) many works within the DIA Collection are subject to donor restrictions and (b) the Michigan Attorney General and DIA Corp. contend that the entire DIA Collection is held in trust, any attempt to liquidate the DIA Collection or any material portion thereof to satisfy the claims of creditors most likely would result in costly, complex and time-consuming litigation regarding the City's precise ownership interests in the approximately 60,000 works

of art that comprise the DIA Collection.⁸⁴ A forced liquidation of the DIA Collection would generate only a fraction of its true economic value.⁸⁵ The DIA adds significant economic and cultural value to the City, and its preservation is an important component of the City's revitalization effort.⁸⁶

H. Section 943(b)(2). The Plan complies with the provisions of chapter 9 of the Bankruptcy Code. The Plan complies with section 941 of the Bankruptcy Code because the City filed the Plan for the Adjustment of Debts of the City of Detroit (Docket No. 2708) on February 21, 2014, consistent with the First Order Establishing Dates and Deadlines (Docket No. 280), entered on August 2, 2013, which order established March 1, 2014 as the deadline for the City to file its plan of adjustment. The Plan complies with section 942 of the Bankruptcy Code because (1) the amendments made to the Fourth Amended Plan and (2) the Modifications are either immaterial to, or do not adversely affect the treatment of, any Claim under the Plan.

I. Section 943(b)(3). All amounts to be paid by the City (or by any person) for services and expenses in the Chapter 9 Case and incident to the Plan have been fully disclosed and are reasonable. Pursuant to the Fee Review Order and the Fee Examiner Order, and with the City's consent, the Fee Examiner was appointed in the Chapter 9 Case as an officer of the Court and has reviewed, or will review, the fees and expenses of all Fee Review Professionals (other than the Fee Examiner Parties) submitted to the Fee Examiner for review in accordance with the Fee Review Order for the period beginning on the Petition Date. The fee review process established by the Fee Review Order will continue for fees and expenses incurred through the Effective Date pursuant to Section IV.N.2 of the Plan. In accordance with the Fee Review Order, each quarterly report and supplemental quarterly report filed by the Fee Examiner to date has determined that all Fee Review Professional Fees (other than fees and expenses of the Fee Examiner Parties) incurred during the relevant reporting periods have been fully disclosed and are reasonable.⁸⁷ Further, the fees and expenses of the Fee Examiner

This fee review process, as established in the Fee Review Order and adopted in the Plan, ensures that all relevant professional fees and expenses related to the Chapter 9 Case satisfy the requirements of Section 943(b)(3) of the Bankruptcy Code. In addition, the Court has authorized the DWSD to reimburse certain professional fees and expenses incurred by professionals retained by certain creditors of the DWSD in connection with the City's Chapter 9 Case.⁸⁸

2. *ASF Recoupment.* ASF Recoupment, as set forth at Section II.B.3.r.ii.D of the Plan, is lawful, proper and an integral component of the City's global settlement of pension- and other labor-related issues negotiated with, among others, the Retiree Committee. During the period beginning in the mid-1980s until fiscal year 2012, Annuity Savings Fund accounts maintained on behalf of certain participants (who voluntarily contributed after tax dollars into the Annuity Savings Fund maintained by the GRS) were often credited with interest in excess of the actual or market rate of return for assets in the GRS Traditional Pension Plan (such interest, the "ASF Excess Interest").⁹⁴ The aggregate total of such ASF Excess Interest credited during the period from 2003 through 2013 was approximately \$450 million.⁹⁵ The ASF Recoupment contemplated by the Plan would recover approximately \$190 million of a much higher sum in total ASF Excess Interest credited to Annuity Savings Fund accounts through reductions to retiree pension benefits and asset transfers from active GRS participants.⁹⁶

3. Because the assets credited to such Annuity Savings Fund accounts were coinvested with the assets of the GRS Traditional Pension

Plan, assets of the GRS Traditional Pension Plan were allocated to the applicable Annuity Savings Fund accounts to fund such ASF Excess Interest.⁹⁷ The GRS Trustees owe a fiduciary duty to the GRS Traditional Pension Plan under Michigan Public Act 314 of 1965, the Public Employee Retirement System Investment Act, as well as the common law of trusts.⁹⁸ In addition, the GRS Trustees owe a duty of loyalty to all GRS Traditional Pension Plan participants to discharge their duties solely in the interest of the participants and their beneficiaries and to use the assets of the GRS Traditional Pension Plan prudently and for the exclusive benefit of all participants and their beneficiaries.⁹⁹ The City has argued that the crediting of ASF Excess Interest to Annuity Savings Fund accounts constitutes a violation of these fiduciary duties owed to the GRS Traditional Pension Plan by the GRS Trustees.

4. No provision of the Detroit City Code authorized the GRS Trustees to credit Annuity Savings Fund accounts with excess interest.¹⁰⁰ Under Section 47-1-3 of the Detroit City Code, the grant of authority to the GRS Trustees is limited to the administration, management and proper operation of the

GRS.¹⁰¹ Accordingly, the GRS Trustees' decision to credit the accounts of ASF participants with ASF Excess Interest, at the expense of the GRS Traditional Pension Plan, constituted an *ultra vires* act that was not authorized under the Detroit City Code.¹⁰²

5. ASF Recoupment does not violate Sections 47-2-17 and 47-2-18 of the Detroit City Code.¹⁰³ The City possesses a basis independent of Section 47-1-18(c) of the Detroit City Code for recovering the GRS Traditional Pension Plan assets credited to ASF participants. ASF Recoupment is not an unconstitutional *ex post facto* application of any statute or ordinance.¹⁰⁴

6. ASF participants received due process of law with respect to ASF Recoupment. In particular, ASF participants received (a) the Plain Language Supplement as part of their Solicitation Packages describing in detail the effect of ASF Recoupment (as well as subsequent communications from the City, the Retiree Committee, the Retirement Systems and certain retiree associations)

and (b) sufficient opportunity to object to the Plan and ASF Recoupment, an opportunity exercised by many ASF participants.¹⁰⁵

7. ASF Recoupment will not cause the amounts recovered from ASF Distribution Recipients to exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap as such amounts are amortized over time using a 6.75% interest rate.¹⁰⁶ Subject to Section II.B.3.r of the Plan, GRS participants subject to ASF Recoupment have the option to pay the ASF Recoupment Amount in a lump sum.

8. The 6.75% interest rate used in annuitizing ASF Recoupment payments for ASF Distribution Recipients who do not elect the lump-sum payment option is not usurious under applicable law. The City did not unfairly or fraudulently conceal the interest rate applicable to ASF Recoupment. Neither the "wrongful conduct" rule nor the doctrine of *in pari delicto*, as interpreted under applicable State law, are implicated by ASF Recoupment because there is no allegation or evidence that the City violated any penal or criminal statute with respect to the allocation of Annuity Savings Fund Excess Amounts to ASF participants.

K. Section 943(b)(5). The Plan satisfies the requirements of section 943(b)(5) of the Bankruptcy Code. The Plan expressly provides for the cash payment, in full, of Allowed Administrative Claims, including administrative expenses allowed under section 503(b) of the Bankruptcy Code either (1) on the Effective Date or as soon as reasonably practicable thereafter or (2) if the Administrative Claim is not Allowed as of the Effective Date, 30 days after the date on which such Administrative Claim becomes an Allowed Claim.¹⁰⁷

L. Section 943(b)(6). The Plan satisfies the requirements of section 943(b)(6) of the Bankruptcy Code. The effectiveness of the Plan is expressly conditioned upon the obtaining of any authorizations, consents and regulatory approvals necessary under applicable nonbankruptcy law.¹⁰⁸ Neither the DWSD Pension Funding nor the provisions of the Plan relating to the DWSD CVR constitute a tax upon any DWSD ratepayer subject to electoral approval. The restructuring of the City's obligations pursuant to the Plan, and the consequent restructuring (and lowering) of DWSD's costs, will not necessitate an increase in the rates charged by DWSD in excess of normally scheduled rate increases.¹⁰⁹

M. Section 943(b)(7).

1. *Best Interests of Creditors.* The Plan is in the best interests of creditors. The Plan provides the City's creditors with a better alternative than dismissal of the Chapter 9 Case. Outside of bankruptcy, the City would face several billion dollars in cumulative deficits over the next ten years, even if it attempted only to maintain the current level of inadequate public services.¹¹⁰ Although the automatic stay has allowed the City to enhance its cash position during the bankruptcy, the fundamentals of the City's financial forecasts have not changed materially since the City first created the baseline financial forecasts in June 2013.¹¹¹ Moreover, if the City's Chapter 9 Case were dismissed, the City would lose the benefit of the settlements it has reached with its creditors. The City does not have sufficient excess revenues to continue paying its creditors outside of bankruptcy.¹¹²

2. The effect of dismissal of the City's Chapter 9 Case would be the issuance of myriad judgment levies under State law.¹¹³ In a dismissal

scenario, the Revised Judicature Act would require the City to satisfy any judgments obtained by creditors either through bond issuances or property tax levies.¹¹⁴ If the Chapter 9 Case were dismissed, the City's creditors would not realize greater recoveries than they would receive under the Plan because the City would lack the resources and ability to satisfy such judgment levies.¹¹⁵ In such a scenario, the City's pension obligations alone likely would quickly eradicate any meaningful recoveries for other unsecured creditors outside of chapter 9.¹¹⁶

3. Dismissal of the Chapter 9 Case would deprive the City of the benefit of the Reinvestment Initiatives.¹¹⁷ Without such reinvestment, the City's ability to provide basic services would continue to decline below even today's inadequate levels.¹¹⁸ Without the ability to provide adequate levels of basic services, the City would find itself unable to reverse the exodus of residents and businesses from the City that has depleted the City's tax base, reduced land values and led to widespread abandonment and blight.¹¹⁹ In addition, the Plan offers

financial benefits that would be unavailable to the City in the event of dismissal, including the \$816 million that will be contributed to the Retirement Systems in connection with the Grand Bargain, the Exit Financing and the cost savings to be realized by the Reinvestment Initiatives and the Settlements under the Plan.¹²⁰

4. *Feasibility.* The Plan is feasible, within the meaning of section 943(b)(7) of the Bankruptcy Code. On and after the Effective Date, it is more likely than not that the City will be able to (a) make all payments contemplated by the Plan without a significant probability of default and (b) sustainably provide adequate municipal services to its residents.¹²¹ The City has demonstrated a reasonable prospect that the City will successfully implement the Plan and the Reinvestment Initiatives.¹²²

Under the Grand Bargain Legislation, the Financial Review Commission is empowered to approve or reject, among other things, (a) the City's four-year financial plan, (b) operating budgets for the City, (c) new debt issuances, (d) contracts for more than \$750,000 or for a term exceeding two years and (e) collective bargaining agreements.¹³⁴ If the Financial Review Commission were to reject two successive four-year financial plans submitted for approval by the City, the Financial Review Commission would have authority under the Grand Bargain Legislation to (a) require the City to address certain deficiencies in such plan or (b) impose an alternative four-year financial plan upon the City until the Financial Review Commission approves a plan submitted by the City.¹³⁵ PA 182 provides a list of specific information the City's multi-year financial plan must contain, including but not limited to (a) revenue and expense projections, (b) cash flow projections, (c) anticipated capital commitments for each fiscal year and (d) measures to ensure compliance with applicable state and federal

10. The Reinvestment Initiatives provide for the reinvestment of approximately \$1.7 billion in the City between the Effective Date and June 30, 2023.¹³⁹ The Reinvestment Initiatives will allow the City to achieve approximately \$483 million in additional revenue and \$358 million in cost savings during that same period, resulting in net reinvestment in the City of approximately

\$877 million.¹⁴⁰ The Reinvestment Initiatives are the result of a "bottom up" analysis, conducted by the City's professionals in collaboration with City officials and employees, of the City and its various departments and certain enterprise funds designed to identify and address service deficiencies within such departments and funds.¹⁴¹ The Reinvestment Initiatives are reasonably designed to, and more likely than not will, ensure that the City will be able to (a) remedy its service delivery insolvency and provide adequate municipal services to its residents, (b) meet its financial obligations on a prospective basis, (c) promote the stability of the City's population and (d) provide a platform for the growth of both the City's resident and business populations.¹⁴²

The Reinvestment Initiatives are structured to (a) prioritize Reinvestment Initiatives that either will (i) generate additional revenue, (ii) create cost savings or (iii) allow the City to provide adequate services and (b) provide for significant amounts of reinvestment in the first two years following the Effective Date in order to maximize the benefit thereof.¹⁴⁵ The City can arrest the reinforcing trends of population loss, declining property values and declining revenues if adequate services are restored, blight is remediated and the City becomes a more attractive place to live and work.¹⁴⁶ The Reinvestment Initiatives will accelerate investment

in the City by business, community and philanthropic organizations.¹⁴⁷ None of the Reinvestment Initiatives is unnecessary or excessively costly.¹⁴⁸

12. Absent the Reinvestment Initiatives, the City cannot provide a sustainable level of services to its residents.¹⁴⁹ The categories of the Reinvestment Initiatives identified in the Projections include, but are not limited to, (a) blight remediation initiatives, (b) public safety initiatives (including, but not limited to, initiatives focused on the Detroit Police Department and the Detroit Fire Department), (c) resident service initiatives (including, but not limited to, initiatives focused on the Detroit Department of Transportation), (d) business service initiatives, (e) organizational efficiency initiatives (including, but not limited to, initiatives focused on information technology and support services), (f) management initiatives and (g) non-departmental initiatives. Each of the foregoing categories is necessary to (a) remedy the City's service delivery insolvency, (b) reduce blight and strengthen neighborhoods, (c) improve the efficiency of, and adequately fund, the City's operations (including, but not limited to, its administrative and support departments and the operations of the 36th District Court), (d) allow elected officials to more effectively manage the City,

borrowing.¹⁵⁵ The Settlements (a) will enable the City to avoid the risks and expense of protracted litigation with the parties to the Settlements, (b) demonstrate that a broad consensus has been achieved in favor of the Plan and (c) thus enhance the feasibility of the Plan.¹⁵⁶ The City's commitment, under the Plan, to use its best efforts to prepay the New LTGO Bonds on the Effective Date, or as soon as reasonably practicable thereafter, is both reasonable and feasible.¹⁵⁷ It is a reasonable assumption that the City will be able to service the New C Notes using parking revenues, and the City's projections regarding such revenues are based upon reasonable assumptions.¹⁵⁸ Credit markets likely (a) will be receptive to the newly de-leveraged City and (b) would be closed to the City absent the restructuring to be implemented pursuant to the Plan and the Reinvestment Initiatives.¹⁵⁹ Although future economic risks cannot be predicted with certainty, and some economic risk factors are outside of the City's control, under the Plan,

14. Under the Plan, the DWSD will have sufficient resources to make the capital improvements necessary to enable the DWSD to continue to provide an adequate level of water and sewer service to its customers, and the DWSD's current capital improvement plans are reasonable for this purpose.¹⁶¹ There is no material risk of a system-wide failure that would prevent the DWSD from providing adequate levels of service.¹⁶² In addition, the DWSD Pension Funding does not negatively impact the feasibility of the Plan.¹⁶³

Q. The DIA Settlement. The DIA Settlement resolves a substantial dispute surrounding the extent of the City's property rights with respect to the DIA Assets.¹⁶⁵ Under the DIA Settlement, as reflected in Section IV.E.2 of the Plan, the City will irrevocably transfer all of its right, title and interest in and to the DIA Assets to DIA Corp., as trustee, to hold in perpetual charitable trust, and within the City limits, for the primary benefit of the residents of the City and the Counties and the citizens of the State.¹⁶⁶

1. The City cannot be compelled to liquidate the DIA Collection.¹⁶⁷ Even if such a liquidation could be compelled, however, many works in the DIA Collection are subject to donor restrictions and, contrary to the City's position, the Michigan Attorney General and DIA Corp. assert that the entire DIA Collection is held in trust.¹⁶⁸ The City's likelihood of success in potential

litigation over whether the City has sufficient interest in the DIA Assets (or in any of them) to permit it to sell any such assets and use the proceeds of sale for its own purposes, including payment of operating expenses or debt, is uncertain.¹⁶⁹

Any such litigation would likely take substantial time and cause the City to incur substantial expense.¹⁷⁰

2. Even if the City were to prevail in whole or in part in such litigation, it would not be in the City's best interests to liquidate the DIA Assets because (a) the City's ability to realize, on a timely basis, the full value of each of the DIA Assets it would be permitted to sell is uncertain and (b) a forced liquidation of the DIA Collection likely would yield only a fraction of the DIA Collection's true economic value.¹⁷¹ A proposed sale or other deaccession of the DIA Assets would have been resisted, and likely would have provoked adverse action, including litigation, by (a) DIA Corp. and donors to DIA Corp. and to the DIA and (b) the international art community.¹⁷² Preservation of the DIA Assets

and the DIA is strongly in the interest of the City and its residents, is an important element in the revitalization of the City, and therefore is in the interest of its creditors, who are receiving under the Plan payments over a period of time.¹⁷³

3. The compromises and settlements embodied in the DIA Settlement (a) accurately reflect and effectively resolve a substantial dispute surrounding the extent of the property rights the City possesses with respect to the DIA Assets, (b) avoid objections to confirmation of the Plan regarding the Plan's treatment of Pension Claims, (c) resolve pending appeals regarding the Court's ability to impair pensions under chapter 9 of the Bankruptcy Code, (d) provide adequate funding to the Retirement Systems through fiscal year 2023 and (e) are, collectively, a key compromise upon which several provisions of the Plan rest.¹⁷⁴ In the absence of the DIA Settlement, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses.¹⁷⁵

4. The City's transfer of the DIA Assets is made for fair value and fair consideration.¹⁷⁶ The DIA Settlement proceeds total \$466 million in nominal revenue.¹⁷⁷ It is more likely than not that DIA Corp. and the DIA Funders have the ability to fulfill their commitments under the DIA Settlement.¹⁷⁸ Christie's Inc. appraised approximately 2,300 works within the DIA Collection purchased in whole or in part with City funds, estimating their fair market value between \$454 million and \$867 million.¹⁷⁹ Hilco Real Estate Appraisal, LLC determined that an institutional user seeking to acquire the DIA Assets constituting real property would pay approximately \$43 million whereas an investor seeking to purchase and convert such real property would pay only \$18.5 million.¹⁸⁰ Various alternatives to the DIA Settlement did not promise value to the City, its residents, its creditors or the surrounding communities in excess of the value of the DIA Settlement.¹⁸¹

5. The DIA Settlement has not been entered into fraudulently, nor with the intent to hinder, delay or defraud any entity to which the City is, or may become, indebted on or after the Effective Date.¹⁸² The City will neither be insolvent on the date of the transfer of the DIA Assets nor, by reason of the transfer, rendered insolvent or unable to meet its obligations as they mature.¹⁸³

6. The transfer of the DIA Assets to the DIA Corp. serves the public purpose of providing civic, artistic and cultural activities to the general public.¹⁸⁴ Such transfer is authorized by law, including by Section 4k of the Michigan Home Rule City Act, M.C.L. § 117.4k, and Section 1-102 of the Detroit City Charter.

7. The DIA Settlement (a) eliminates the risk and expense of litigation regarding the DIA Assets and the Plan's treatment of Pension Claims and (b) leverages the DIA Assets for the benefit of the City's pensioners while also protecting the DIA Assets from the threat of liquidation and preserving the DIA Assets for the benefit of the City, its residents and surrounding communities.¹⁸⁵

Based on the evidence of the value of the DIA Assets and on (a) the amount of the consideration to be provided under the DIA Settlement directly to the Retirement Systems, (b) DIA Corp.'s commitments to the City under the DIA Settlement, including the obligation to maintain for the benefit of the public an encyclopedic art museum the permanent primary situs of which will be in the City, and (c) the settlement of litigation over the extent of the City's right, title or interest in the DIA Assets, the DIA Settlement is for fair value and fair consideration and is fair, equitable, reasonable and in the best interests of the City and its creditors and residents.¹⁸⁶

R. The UTGO Settlement. After sufficient notice and opportunity for all parties to be heard, and after due deliberation, based on the Court's thorough review and full consideration of the UTGO Settlement Agreement and good and sufficient cause appearing therefor, the Court makes the following findings of fact and conclusions of law with respect to the UTGO Settlement:

1. The UTGO Settlement described in the Plan and the UTGO Settlement Agreement are fair, equitable, reasonable and in the best interests of the City and its creditors and residents. The UTGO Settlement Agreement is the result of extensive arm's length negotiations among the City and the Settling UTGO Bond Insurers – all of whom were represented by sophisticated

counsel.¹⁸⁷ The compromises and settlements embodied in the UTGO Settlement (a) resolve all disputes with respect to claims classified in Class 8 under the Plan and the issues raised by the Settling UTGO Bond Insurers in the UTGO Litigation and (b) are, collectively, a key compromise upon which several provisions of the Plan rest. In the absence of such compromises and settlements, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses.¹⁸⁸

2. The UTGO Settlement and the UTGO Settlement Agreement: (a) were negotiated and entered into in good faith; (b) comport with the policies and purposes of chapter 9; (c) are fair, equitable and reasonable; (d) are in the best interests of the City and its creditors and residents as they not only fully resolve the UTGO Litigation but also permit the City's assignees to receive value from the Assigned UTGO Bond Tax Proceeds as set forth in the Plan, which receipt fulfills a requirement of the State Contribution Agreement; (e) are within the range of reasonable results if the disputes resolved by the UTGO Settlement, including the UTGO Litigation, were instead litigated to a conclusion; (f) fall above the lowest point in the range of reasonableness; and (g) meet the standards

for approval under sections 105(a) and 1123(b) of the Bankruptcy Code,

Bankruptcy Rule 9019(a) and other applicable law.¹⁸⁹

3. Without limiting any of the foregoing, the Court hereby finds that:

- The Plan incorporates the UTGO Settlement Agreement, and the effectiveness of the Plan is expressly conditioned upon: (a) the MFA board having approved the issuance of the Restructured UTGO Bonds and such bonds having been issued; and (b) the City having obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of the UTGO Settlement Agreement.¹⁹⁰
- As of the Effective Date, the Plan represents a full, final and complete compromise, settlement, release and resolution of, among other matters, all disputes and pending or potential litigation (including any appeals), including, without limitation, the UTGO Litigation, regarding the allowability, amount, priority and treatment of the Unlimited Tax General Obligation Bond Claims. The treatment of Class 8 Unlimited Tax General Obligation Bond Claims under the Plan is a component of a settlement and compromise of the UTGO Litigation.¹⁹¹
- Good and valuable consideration has been provided for all releases and exculpations granted pursuant to the UTGO Settlement Agreement,

including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the UTGO Settlement Agreement. Such provisions are fair, equitable, reasonable and integral elements of the UTGO Settlement Agreement.¹⁹²

- The Court confirms that, as of the Effective Date and pursuant to Emergency Manager Bond Order No. 4, the Municipal Obligation shall be secured, to the extent permitted by law, including without limitation section 12(1)(x) of PA 436, by a lien granted by the City on the UTGO Bond Tax Levy for so long as either the Municipal Obligation or the Stub UTGO Bonds are outstanding.¹⁹³
- As of the Effective Date, the UTGO Bond Tax Levy shall constitute "special revenues," as defined in section 902 of the Bankruptcy Code, and "pledged special revenues," as that term is used in section 922(d) of the Bankruptcy Code.¹⁹⁴
- As of the Effective Date, the MFA shall possess a valid and enforceable statutory fourth lien and trust on the shared revenue payments that the City is entitled to receive from the State under the Michigan Constitution and Michigan Public Act 140 of 1971, the Glenn Steil State Revenue Sharing Act, M.C.L. §§ 141.901, *et seq.*, as amended ("Distributable State Aid"), as provided in section 15(2) of Michigan Public Act 227 of 1985, the Shared Credit Rating Act, M.C.L. §§ 141.1051, *et seq.*, or as otherwise provided under applicable law.¹⁹⁵

- As of the Effective Date, Holders of the Restructured UTGO Bonds shall possess all of the MFA's rights and interest in the Municipal Obligation including all the rights and interest provided herein and under the UTGO Settlement Agreement, subject to the reservation by the MFA of rights to indemnification and to make all determinations and approvals and receive all notices accorded to it under the Municipal Obligation and related documents. Accordingly, the Restructured UTGO Bonds will be payable from and secured by (a) payments made by the City on the Municipal Obligation and to the extent permitted by law, including without limitation section 12(1)(x) of PA 436, a lien on the portion of the UTGO Bond Tax Levy allocable to the Municipal Obligation, pledged by the City to secure the Municipal Obligation and (b) a lien, made a statutory lien as provided by the Shared Credit Rating Act, on moneys in the funds and accounts established for the Restructured UTGO Bonds under the authorizing resolution for such bonds, including payments pledged by the City and received and held by the MFA or its trustee for the Restructured UTGO Bonds, which include, without limitation, all payments of (i) the proceeds of the UTGO Bond Tax Levy and (ii) Distributable State Aid.¹⁹⁶

S. The LTGO Settlement. The LTGO Settlement Agreement and all Sections of the Plan pertaining to recoveries upon Limited Tax General Obligation Bond Claims, including Sections II.B.3.n and II.B.3.p.i.A of the Plan (such sections of the Plan, collectively with the LTGO Settlement Agreement, the "LTGO Settlement") are fair, equitable, reasonable and in the best interests of the

City and its creditors and residents. The LTGO Settlement is the result of extensive arm's length negotiations among the City, the LTGO Insurer and BlackRock Financial Management (on behalf of certain managed funds and accounts) ("BlackRock").¹⁹⁷ The compromises and settlements embodied in the LTGO Settlement (1) resolve all disputes with respect to (a) the Plan and any objections filed by the LTGO Insurer or BlackRock related to the Plan, (b) the Claims classified in Class 7 under the Plan and (c) all issues relating to Limited Tax General Obligation Bonds raised in the adversary proceeding brought before the Bankruptcy Court, captioned as *Ambac Assurance Corp. v. City of Detroit, Michigan*, No. 13-5310 (Bankr. E.D. Mich.) (the "Ambac Action"); and (2) are, collectively, a key compromise upon which several provisions of the Plan rest.¹⁹⁸ In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.¹⁹⁹ The treatment of Limited Tax General Obligation Bonds and related Limited Tax

T. The OPEB Settlement. The OPEB Settlement is the result of extensive arm's length negotiations between the City and the Retiree Committee, which was represented by sophisticated counsel, and is an integral component of the City's global settlement of pension- and other labor-related issues negotiated with, among others, the Retiree Committee.²⁰⁰ The compromises and settlements embodied in the OPEB Settlement (1) resolve all disputes with respect to the aggregate valuation of Claims classified in Class 12 under the Plan and the issues raised by the Retiree Committee in the Retiree Health Care Litigation; and (2) are, collectively, a key compromise upon which several provisions of the Plan rest.²⁰¹ In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.²⁰²

U. The 36th District Court Settlement. The 36th District Court Settlement is the result of extensive arm's length negotiations among the City, the 36th District Court and the Settling 36th District Court Claimants.²⁰⁵ The compromises and settlements embodied in the 36th District Court Settlement resolve all disputes with respect to (1) the Plan and any objections filed by Settling 36th District Court Claimants related to the Plan and (2) the treatment of Indirect 36th District Court Claims under the Plan.²⁰⁶ In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.²⁰⁷

Indirect 36th District Court Claims under the Plan, but also provides for the payment of the Settling 36th District Court Claimants' Claims at a significant discount while enabling the City to avoid further litigation with the Settling 36th District Court Claimants regarding the City's power to impair Indirect 36th District Court Claims under the Plan. The 36th District Court Settlement is within the range of reasonable results if the disputes resolved by the 36th District Court Settlement were instead litigated to a conclusion.²⁰⁸

V. The Syncora Settlement. The Syncora Settlement is the result of extensive arm's length negotiations among the City, Syncora and other interested parties impacted by the Syncora Settlement, including the Retiree Committee and the LTGO Insurer.²⁰⁹ The Syncora Settlement includes a long term commitment by Syncora to the revitalization of core areas of the City and a partnership between Syncora and the City focused on the City's growth.²¹⁰ Without limiting the foregoing, the Court hereby finds as follows with respect to the Syncora Settlement:

1. The compromises and settlements embodied in the Syncora Settlement resolve all disputes between the City and Syncora with respect to (a) any Class 9 Claim or Class 14 Claim held by Syncora, (b) the Plan and all objections filed by Syncora related to the Plan (including any objection related to the UTGO Settlement) and (c) all issues arising in connection with the Dismissed Syncora Litigation, including, but not limited to, issues arising in connection with the COP Swap Settlement and the Tunnel Lease.²¹¹ In the absence of the Syncora Settlement, the City's emergence from chapter 9 likely would have been delayed by additional litigation and burdened with additional expenses, with no assurance of a better result for the City.²¹² The Syncora Settlement is (a) a reasonable exercise of the City's business judgment and (b) within the range of reasonable results if the disputes resolved by the Syncora Settlement were instead litigated to a conclusion.²¹³

2. As part of the Syncora Settlement and to resolve all pending litigation involving the City and Syncora, the parties have agreed to enter into certain transactions (collectively, the "Syncora Redevelopment Transactions"),

The Syncora Settlement provides benefits to Classes 7, 12 and 14 under the Plan that would otherwise have been unavailable thereto.²²⁰

W. The FGIC/COP Settlement. The FGIC/COP Settlement is the result of extensive good faith, arm's length negotiations among the City, FGIC, the FGIC COP Holders and the State.²²¹ The FGIC/COP Settlement is founded on a long term commitment by FGIC to the revitalization of core areas of the City and a partnership among FGIC, the City and the State focused on the City's growth.²²²

The compromises and settlements embodied in the FGIC/COP Settlement resolve all disputes between the City, FGIC and the FGIC COP Holders with respect to (a) all Class 9 or Class 14 Claims held by FGIC and all Class 9 Claims held by the FGIC COP Holders, (b) the Plan and any objection filed by FGIC or the FGIC COP Holders related to the Plan and (c) all issues arising in connection with the Dismissed FGIC/COP Litigation.²²³ In the absence of the FGIC/COP Settlement, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.²²⁴ The FGIC/COP Settlement is (a) a reasonable exercise of the City's business judgment and (b) within the range of reasonable results if the disputes resolved by the FGIC/COP Settlement were instead litigated to a conclusion.²²⁵

The consideration to be paid by the City pursuant to the Syncora Settlement and the FGIC/COP Settlement is expected to be offset by certain newly-identified sources of revenue not incorporated into the City's July and September 2014 Projections (the "Prior Projections"), meaning that (a) the City's overall cash position set forth in the Prior Projections remains materially unchanged in the City's October 2014 Projections (incorporating the costs of the Syncora Settlement and the FGIC/COP Settlement) and (b) the City will have sufficient cash and revenues to satisfy its obligations under the Settlements and meet its operating expenses going forward.²³¹

Sections III.D.5, III.D.6 and III.D.7 of the Plan (collectively, the "Plan Releases") either shares an identity of interest with the City, was instrumental to the successful prosecution of the Chapter 9 Case or provided substantial consideration, which value will allow for distributions that would not otherwise be available but for the contributions made by such non-Debtor parties.²³² The Plan Releases are, individually and collectively, integral to, and necessary for the successful implementation of, the Plan, essential to the City's restructuring and supported by reasonable consideration.²³³ The City and all creditors that voted to accept the Plan have expressly consented to the Plan Releases. Releases of non-Debtor parties pursuant to Section III.D.7 of the Plan were appropriately disclosed by the City in the Disclosure Statement, on each Ballot mailed to creditors and in the Plain Language Supplement.²³⁴ Accordingly, in light of all of the circumstances, the Plan Releases are consonant with the prevailing law in this District and are fair to the releasing parties. Without limiting the foregoing, the Court hereby finds as follows with respect to the Plan Releases:

1. The releases set forth in Section III.D.7.a of the Plan are consensual releases that apply only to holders of Claims that voted to accept the Plan. The Plan's consensual release provisions are lawful and appropriate.

2. The exculpation provision contained in Section III.D.6 of the Plan complies with applicable law and is appropriate. Such provision contains a carve-out for gross negligence and willful misconduct and is limited to claims arising out of the City's restructuring efforts and the Chapter 9 Case. In addition, the Plan's exculpation provision extends only to certain parties who either have settled with the City or have actively participated in the City's restructuring activities.

3. The non-consensual third party releases and related injunctions contained in the Plan are lawful and appropriate because unusual circumstances exist in the City's Chapter 9 Case that justify their application. As far as this Court is aware, this is the first chapter 9 case wherein (a) the debtor has sought to compromise pension benefits for a municipality's active and retired workforce **and** (b) third parties under no obligation to contribute funds to creditors of a municipal debtor have volunteered to provide funding in addition to proposed recoveries under the debtor's plan of adjustment.

4. As part of the Grand Bargain, the State has agreed to contribute the present value of \$350 million over twenty years (or \$194.8 million)

to reduce the Retirement Systems' underfunding.²³⁵ The settlements the City reached with representatives of its retirees and employees are conditioned upon the receipt of the State funding.²³⁶ The contributions to be made by the State pursuant to the State Contribution Agreement are made in exchange for the release of, among other things, (a) the constitutionally-based claims asserted by the Retirement Systems and holders of Pension Claims that such Claims may not be impaired and (b) certain litigation identified in the State Contribution Agreement.²³⁷ The funding obligation of the State under the State Contribution Agreement is expressly conditioned upon the State and the State Related Entities obtaining the release set forth in Section III.D.7.b of the Plan.²³⁸ The funding obligation of the DIA Funders under the DIA Settlement Documents is expressly conditioned upon the State's provision of funding pursuant to the State Contribution Agreement.²³⁹ Because (a) the consummation of both the State Contribution Agreement and the DIA Settlement – and, thus, the State's and DIA

18. Pursuant to and in accordance with the New C Notes Documents, revenues collected by the City related to (a) tickets issued for parking violations (including, but not limited to, meter collections, towing, storage fees and booting fees), other than revenues that would otherwise be paid to the 36th District Court, and (b) if the New C Notes are issued in a principal amount greater than \$21,271,804, garage operations at the Parking Garages (collectively, the "City Parking Revenues") shall be directly remitted to a bank or banks or other financial institution which the Emergency Manager designates as a depository of the City (such institution, the "Depository Bank"). The Depository Bank shall deposit City Parking Revenues received by it into a special, separate and segregated fund (the "City Parking Revenue Fund") established at the Depository Bank. Beginning on the date of delivery of the New C Notes and commencing on the first day of each fiscal year thereafter, each day, City Parking Revenues deposited into the City Parking Revenue Fund shall be remitted by the Depository Bank to a special, separate and segregated account held for and on behalf of the City (the "Debt

Retirement Fund") by the bond registrar, transfer agent and paying agent for the New C Notes until sufficient funds are on deposit in the Debt Retirement Fund to pay the principal and interest payable on the New C Notes on the last day of that Fiscal Year (such amount, the "Annual Deposit Requirement"). Once the Annual Deposit Requirement is satisfied for that fiscal year, any additional City Parking Revenues deposited in the City Parking Revenue Fund during that fiscal year may be remitted to the City for deposit into the General Fund and may be used by the City for any other purposes permitted by law.

D. Approval of Releases and Exculpation

19. The Plan Releases set forth in Section III.D.7 of the Plan are approved in all respects, are incorporated herein in their entirety, are so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court, any of the parties to such releases or any other party.

20. Without limiting any other applicable provisions of, or releases contained in, the Plan, this Order or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the

Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is hereby deemed to forever release, waive and discharge all Liabilities in any way relating to: (a) the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436), *provided that*, for the avoidance of doubt, any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

(b) (i) Claims that are compromised, settled or discharged under or in connection with the Plan, (ii) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (iii) the Plan, (iv) the Exhibits, (v) the Disclosure Statement or (vi) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released

Parties; *provided, however*, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement.

21. Nothing in paragraph 20 hereof shall (a) affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; or (b) release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties.

22. If the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed forever to release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the foregoing sentence does not provide for a release, waiver or discharge of obligations of the City that are established in the Plan or that arise from and after

the Effective Date with respect to (a) pensions as modified by the Plan or (b) labor-related obligations, which post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, the GRS or the PFRS.

23. As a condition to the State funding, the State and certain parties, including Michigan Council 25, Sub-Chapter 98, Local 3308 and Local 917 of AFSCME, entered into certain Support and Release Agreements and, for the avoidance of doubt, in the event of an express conflict between any such Support and Release Agreement, on the one hand, and the Plan, Plan Supplements or this Order, on the other hand, as to the parties to these Support and Release Agreements, their respective Support and Release Agreement shall govern.

24. Notwithstanding Sections III.D.5 through III.D.7 and IV.L of the Plan or paragraphs X, 19 through 21 and 28 through 32 hereof, except as set forth in the COP Swap Settlement, nothing in the Plan or this Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order.

25. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, each Settling COP Claimant shall be, and hereby is, to the fullest extent permitted under law, deemed to forever release, waive and discharge all Liabilities relating to COP Documents such Settling COP Claimant has, had or may have against the (a) the GRS, (b) the PFRS or (c) Related Entities of either the GRS or the PFRS. At the direction of FGIC, which shall be, and hereby is, deemed given on the Effective Date, the COP Contract Administrator shall have irrevocably agreed (on behalf of itself, any successors and each FGIC COP Holder) to release and not to sue any COP Holder or any COP Insurer on behalf of any FGIC COP Holder, COP Insurer, the Detroit Retirement Systems Funding Trust 2005 or the Detroit Retirement Systems Funding Trust 2006 in connection with any liability arising in connection with or related to (a) Sections 6.5 and 9.1 of the Contract Administration Agreements, (b) Section 8.03 of the COP Service Contracts, (c) distributions made pursuant to or in connection with Section II.B.3.p.i.A of the Plan, (d) the FGIC/COP Settlement or (e) the Syncora Settlement. On the Effective Date,

Syncora and FGIC shall be, and hereby are, to the fullest extent permitted under law, deemed to forever mutually release, waive and discharge all liabilities against each other relating to distributions made pursuant to or in connection with Section II.B.3.p.i.A of the Plan, Sections 6.5 and 9.1 of the Contract Administration Agreements or Section 8.03 of the COP Service Contracts.

26. The exculpation provision set forth in Section III.D.6 of the Plan is approved in all respects, is incorporated herein in its entirety, is so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court, any of the parties to such exculpation or any other party. From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this paragraph, neither the City, its Related Entities (including the members of the City Council, the Mayor and the Emergency Manager), to the extent a claim arises from actions taken by such Related Entity in its capacity as a Related Entity of the City, the State, the State Related Entities, the Exculpated Parties nor the Released Parties shall have or incur any liability to any person or Entity for any act or omission in connection with, relating to or arising out of the City's restructuring efforts and the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the formulation, preparation, negotiation, dissemination, consummation, implementation, confirmation or approval (as applicable) of the Plan, the property to be distributed

under the Plan, the settlements implemented under the Plan, the Exhibits, the Disclosure Statement, any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan or the management or operation of the City; *provided that* the foregoing provisions shall, and hereby do, apply to (a) the LTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the LTGO Settlement Agreement or the Plan (as it relates to the LTGO Settlement Agreement), (b) the UTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the UTGO Settlement Agreement or the Plan (as it relates to the UTGO Settlement Agreement), (c) the DWSD Exculpated Parties solely in connection with acts or omissions taken in connection with the DWSD Tender, DWSD Tender Motion or DWSD Tender Order, (d) the Syncora Exculpated Parties solely in connection with acts or omissions taken in connection with the Syncora Settlement Documents and any actions or litigation positions taken by the Syncora Exculpated Parties in the Chapter 9 Case, (e) the FGIC/COP Exculpated Parties solely in connection with acts or omissions taken in connection with the FGIC/COP Settlement Documents and any actions or litigation positions taken by the FGIC/COP Exculpated Parties in the Chapter 9 Case, (f) the RDPMA Exculpated Parties and (g) the COP Agent, solely in its capacity as such and solely in connection with any Distributions made pursuant to the terms of the

Plan; *provided, further*, that the foregoing provisions of this paragraph shall not affect the liability of the City, its Related Entities, the State, the State Related Entities, the Released Parties and the Exculpated Parties that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct or any act or omission occurring before the Petition Date. The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. This paragraph shall not affect any liability of (a) any of the COP Swap Exculpated Parties to the Syncora Exculpated Parties or FGIC or (b) the Syncora Exculpated Parties or the FGIC/COP Exculpated Parties to any of the COP Swap Exculpated Parties.

32. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan shall be, and hereby are, permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (b) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (c) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (d) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (e) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan or this Order. Notwithstanding the provisions of this paragraph and without limiting the injunctions in Section III.D.5.a of the Plan or

paragraph 31 hereof, the holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

33. During the period that ends on June 30, 2023, the trustees of the PFRS, the trustees of the GRS, or the trustees of any successor trust or pension plan to either the PFRS or the GRS shall adopt and maintain an investment return assumption and discount rate for purposes of determining the assets and liabilities of the PFRS or the GRS (as applicable) that shall be 6.75%. Except as may be required to maintain the tax-qualified status of the PFRS or the GRS, or to comply with the terms of the Plan or this Order, the City, the trustees of the PFRS, the trustees of the GRS and all other persons or entities shall be, and hereby are, enjoined from and against the subsequent amendment of the terms, conditions and rules of operation of either the PFRS, the GRS or any successor plan or trust to either the PFRS or the GRS, that govern the calculation of pension benefits (including, as applicable, the PFRS Adjusted Pension Amount, the GRS Adjusted Pension Amount, accrual of additional benefits, the DIA Proceeds Default Amount, the Prior PFRS Pension Plan, the Prior GRS Pension Plan, the PFRS Restoration Payment, the GRS Restoration Payment, the New PFRS Active Pension Plan Formula, the New GRS Active Pension Plan Formula, the terms of

I. State Contribution Agreement

34. The State Contribution Agreement is approved in all respects, and the City is hereby authorized to enter into, and take any action necessary to perform under or implement, the terms thereof. The State shall file and serve via the Court's electronic case filing and noticing system a notice that the conditions precedent to the State's payment of the State Contribution (as set forth at Section IV.D.3 of the Plan) have been satisfied or otherwise addressed pursuant to the procedures outlined in the State Contribution Agreement no later than ten days after all such conditions have been satisfied or otherwise addressed.

35. In accordance with Section IV.D.2 of the Plan, the Income Stabilization Funds of the GRS and the PFRS shall receive not less than an aggregate amount of \$20 million over 14 years of the Assigned UTGO Bond Tax Proceeds in the form of annual installment payments pursuant to a payment schedule approved by the State.

36. In accordance with Section 4.f.ii of the State Contribution Agreement, filed as Exhibit I.A.332 to the Plan, the governing documents of the GRS and the governing documents of the PFRS shall be amended to include (a) the governance terms and conditions set forth in Paragraph 2, Exhibit A and Exhibit B of the State Contribution Agreement and (b) the Income Stabilization Payments and Income Stabilization Fund described in Paragraph 3 of the State Contribution Agreement.

J. DWSD Authority Transaction

37. The Memorandum of Understanding Regarding the Formation of the Great Lakes Water Authority (the "Memorandum of Understanding"), filed as Exhibit A to the Notice of Execution of Framework for Creating a Water and Sewer Authority (Docket No. 7357), is approved in all respects. The City is hereby authorized to enter into, and take any action necessary to perform under or implement, the terms of the Memorandum of Understanding and any final agreement resulting therefrom creating a regional water and sewer/stormwater

authority to be called the Great Lakes Water Authority (the "GLWA") in accordance with, and subject to approvals and consents required under, State law. The GLWA transaction contemplated in the Memorandum of Understanding, if consummated, would constitute a Qualifying DWSD Transaction as such term is defined in the Plan.

K. ASF Recoupment

38. ASF Recoupment, as set forth at Section II.B.3.r.ii.D of the Plan, is lawful, proper and approved in all respects. The City is hereby authorized to, and shall, on or as soon as reasonably practicable after the Effective Date: (a) calculate the Annuity Savings Fund Excess Amount for each ASF Current Participant and (b) deduct the Annuity Savings Fund Excess Amount from each such participant's Annuity Savings Fund account, which deducted amounts shall be used to fund the accrued pension benefits of all GRS participants; *provided, however,* that in no event shall the amount deducted from an ASF Current Participant's Annuity Savings Fund account exceed the ASF Recoupment Cap and the Current GRS Retiree Adjustment Cap. In the event that the amount credited to an ASF Current Participant's Annuity Savings Fund account as of the Effective Date is less than such participant's Annuity Savings Fund Excess Amount, the ASF Current Participant will be treated as an ASF Distribution Recipient to the extent of the shortfall.

39. For each ASF Distribution Recipient who, after receipt of notice as required by the Plan and this Order, does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii of the Plan and in the case of any ASF Distribution Recipient that elected the ASF Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the City is hereby authorized to, and shall, on or as soon as reasonably practicable after the Effective Date: (a) calculate the Annuity Savings Fund Excess Amount; (b) convert such amount into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate; and (c) deduct such monthly annuity amounts from the ASF Distribution Recipient's monthly pension check; *provided, however,* that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension check exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap, if applicable. The total ASF Recoupment from the ASF Distribution Recipient's monthly pension checks over time shall not exceed the amount necessary to amortize the applicable Annuity Savings Fund Excess Amount at 6.75% interest.

40. Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option. No later than seven days following the Effective Date,

the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (a) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (b) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

41. The GRS shall mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date,

the GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan and paragraph 39 hereof. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

L. Survival of Indemnities

42. Notwithstanding anything to the contrary in this Order or the Plan, nothing in this Order or the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the injunction provisions of Section III.D.5 of the Plan and paragraph 31 hereof and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen,

asserted or unasserted; *provided that* this paragraph shall be read in conjunction with the provisions for Indirect Employee Indemnity Claims set forth in paragraph 31 hereof. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan or this Order and shall be, and hereby are, discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this paragraph.

M. Issuance of New Securities and Exemption From Securities Laws

43. The issuance of the New Securities by the City on the Effective Date or on a subsequent Distribution Date (as applicable) is hereby approved and authorized. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the issuance of New Securities pursuant to the Plan is, and shall be, exempt from Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution, or sale of securities. The New Securities (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are, and shall be, freely tradable and transferable by any initial recipient (including the Detroit General VEBA and the Detroit Police and Fire VEBA) thereof that (i) is not an "affiliate" of the City or applicable issuer as defined in

Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within 90 days of such transfer and (iii) is not an entity that is an "underwriter" as defined in subsection (b) of Section 1145 of the Bankruptcy Code. It is hereby expressly found and determined that the Detroit General VEBA and the Detroit Police and Fire VEBA are not affiliates of the City within the meaning of Rule 144(a)(1) under the Securities Act.

N. Executory Contracts and Unexpired Leases

44. The Executory Contract and Unexpired Lease provisions of Section II.D of the Plan are specifically approved in all respects, are incorporated herein in their entirety and are so ordered. The City is authorized to assume, assume and assign, or reject Executory Contracts or Unexpired Leases in accordance with Section II.D of the Plan and the Contract Procedures Order.

45. The assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the Effective Date is hereby approved, except for Executory Contracts or Unexpired Leases that: (a) have been rejected pursuant to a Final Order of the Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan

or (e) are designated for rejection in accordance with the last sentence of this paragraph. If an objection to a proposed assumption, assumption and assignment, or Cure Amount Claim filed in accordance with the Contract Procedures is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be, and hereby is, deemed effective as of the Effective Date.

46. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of this Order.

47. The rejection of each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan is hereby approved pursuant to section 365 of the Bankruptcy Code as of the later of (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City may, at any time on or prior

to the Effective Date, amend Exhibit II.D.6 to the Plan to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1 of the Plan, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to Section II.D.6 of the Plan. The City will provide notice of any such amendments to Exhibit II.D.6 to the Plan in accordance with the terms of the Contract Procedures Order. Listing a contract or lease on Exhibit II.D.6 to the Plan shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

O. Plan Distributions

48. On and after the Effective Date, Distributions on account of Allowed Claims and the resolution and treatment of Disputed Claims shall be effectuated pursuant to Section II.B and Article V of the Plan. The Distribution Record Date shall be 5:00 p.m., Eastern Time, on the date of entry of this Order.

P. Retained Causes of Action

49. Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with

the Plan, in accordance with section 1123(b)(3)(B) of the Bankruptcy Code, the City shall retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity, including but not limited to, (a) any and all Causes of Action against any party relating to the past practices of the Retirement Systems (including any investment decisions related to, and the management of, the Retirement Systems' respective pension plans or assets) and (b) the currently pending actions and claims brought by the City and identified on Exhibit III.D.2 to the Plan, to the extent not expressly released under the Plan or pursuant to any Final Order of the Court. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 to the Plan shall not be deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity.

Q. Claims Bar Dates and Other Claims Matters

50. General Administrative Claim Bar Date Provisions. Except as otherwise provided in Section II.A.2.b or Section II.A.2.c of the Plan or in a Bar Date Order or other order of the Court, unless previously filed, requests for payment of Administrative Claims must be filed and served on the City no later than 45 days after the Effective Date. Holders of Administrative Claims that are required to file and serve a request for payment of such Administrative Claims and that do not file and serve such a request by the applicable Bar Date will be forever

barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be filed and served on the City and the requesting party by the later of (a) 150 days after the Effective Date, (b) 60 days after the filing of the applicable request for payment of Administrative Claims or (c) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims. The foregoing procedures shall be specified in the notice of entry of this Order and served on all parties in interest.

51. Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations will not be required to file or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the holders of such Claims or further action or approval of the Court.

52. Holders of Administrative Claims that are Postpetition Financing Claims will not be required to file or serve any request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied pursuant to Section II.A.1.b of the Plan.

53. Professional Fee Reserve. On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where

applicable, the DWSD's funds, in an amount sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals and the Fee Examiner Parties as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks); (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve; and (c) an estimate of the Fee Examiner Parties' unbilled fees and expenses through the projected date of dismissal of the Fee Examiner under Section IV.N.3 of the Plan, as determined by the City in consultation with the Fee Examiner. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the

Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable in accordance with the Fee Review Order shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable in accordance with the Fee Review Order and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

54. Bar Date for Rejection Damage Claims. Except as otherwise provided in a Final Order of the Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be filed with the Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. Any Claims not filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

55. Notwithstanding anything to the contrary in the Plan or this Order, neither FGIC nor the COP Trustee shall be required to file any Claims

arising out of the rejection of the COP Service Contracts pursuant to the Plan, which Claims are resolved and treated pursuant to the terms of the FGIC/COP Settlement Documents and the Plan.

56. Workers' Compensation Claims. From and after the Effective Date, (a) the City shall continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan or this Order shall discharge, release or relieve the City from any current or future liability under applicable State workers' compensation law; *provided that* the City shall retain the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

57. Claims Related to Operation of City Motor Vehicles. From and after the Effective Date, the City shall continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to M.C.L. § 500.3101 in connection with the operation of the City's motor vehicles consistent with the terms of Section IV.S of the Plan. Nothing in the Plan or this

Order shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to M.C.L. § 500.3101 or Claims within the minimum coverage limits in M.C.L. § 500.3009(1); *provided that* the City shall retain the right to challenge the validity of any Claim subject to Section IV.S of the Plan or this paragraph, and nothing therein or herein shall be deemed to expand the City's obligations or any claimant's rights with respect to such Claims under State law.

58. Payment of Tax Refund Claims. From and after the Effective Date, the City shall continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures; *provided that* the City shall retain the right to challenge the validity of any claim for an income tax refund or property tax refund.

59. Utility Deposits. From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

60. Pass-Through Obligations. The City has certain Pass-Through Obligations to the Pass-Through Recipients with respect to which the City acts, or

may in the future act, as tax-collecting agent for tax increment revenues derived from property taxes of the City and certain other jurisdictions and required to be transmitted by the Treasurer of the City to the Pass-Through Recipients under the respective tax increment financing enabling statutes. The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

R. Plan Implementation

61. In accordance with section 1142 of the Bankruptcy Code, without further action by the Court, the City is authorized to: (a) take any and all actions necessary or appropriate to implement, effectuate and consummate the Plan, this Order or the transactions contemplated thereby or hereby, including the transactions contemplated by the Plan and the implementation and consummation of the contracts, instruments, settlements (including the Settlements), releases (including the Plan Releases) and other agreements or documents entered into or delivered in connection with the Plan; and (b) execute and deliver, adopt or amend, as the case may be, any contracts, instruments, releases, agreements and documents necessary to implement, effectuate and consummate the Plan, including, without limitation, those contracts, instruments, releases, agreements and documents identified in Article IV of the Plan. All transactions effected by the City during the pendency of the Chapter 9 Case from the Petition Date through the Confirmation Date are approved and ratified.

62. Each federal, state, commonwealth, county, municipal, local, foreign or other governmental agency is hereby directed and authorized to accept any and all documents, mortgages and instruments necessary or appropriate to effectuate, implement or consummate the transactions contemplated by the Plan and this Order.

**S. Cancellation of Existing Bonds,
Bond Documents, COPs and COP Documents**

63. Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as specifically provided otherwise in the Plan or this Order (including any rejection of Executory Contracts pursuant to Section II.D of the Plan or paragraph 47 hereof), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule, and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; *provided, however,* that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (a) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with

respect thereto; (b) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution; (c) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City; (d) as may be necessary to preserve any claim by (i) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (ii) a COPs Holder or COP Agent under a COP Insurance Policy or against any COP Insurer or (iii) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder; and (e) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. For the avoidance of doubt, this paragraph shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii of the Plan.

64. As of the Effective Date, the principal amounts of the COPs originally insured by FGIC shall be, and hereby are, deemed accelerated and due and payable, and no interest on the COPs originally insured by FGIC shall accrue thereafter, solely for the purposes of determining distributions from the COP Trustee to FGIC and the FGIC COP Holders. The foregoing acceleration of principal and cessation of interest shall affect only the rights of each FGIC COP Holder to the receipt of proceeds of distributions under the Plan and not the rights of each such FGIC COP Holder against FGIC and shall not in any way modify payments currently required of FGIC under its existing insurance policies or the First Amended Plan of Rehabilitation for Financial Guaranty Insurance Company, dated June 4, 2013 (the "FGIC Rehabilitation Plan").

65. FGIC (irrespective of the terms of FGIC's COP Insurance Policies including, without limitation, the definition of "Due for Payment") may elect on or prior to the earlier to occur of (a) the Effective Date and (b) December 15, 2014, by filing a notice with the Court on or prior to such date, to treat all (but not less than all) of the outstanding principal owing on all (but not less than all) series of the FGIC-insured COPs as having been accelerated and currently "Due for Payment" (as such term is defined in the applicable FGIC COP Insurance Policy for purposes of such policy) as of the Effective Date, in which case, with respect to each FGIC COP Insurance Policy there shall be deemed a

Permitted Policy Claim (as defined in the FGIC Rehabilitation Plan) in the amount of (a) the outstanding principal amount of the FGIC-Insured COPs in each CUSIP, as of the Effective Date, insured by such policy and (b) interest accrued and unpaid on such principal amount of such FGIC-Insured COPs through the Effective Date, in which case no interest shall accrue on or after the Effective Date. If FGIC does not elect to accelerate its COP Insurance Policies pursuant to the preceding sentence, FGIC's and the FGIC COP Holders' respective rights and obligations with respect to FGIC's COP Insurance Policies shall be governed by the FGIC/FGIC COP Holders Term Sheet.

66. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or the COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto.

67. No provision of this Order or the Plan shall (a) enjoin any holder of a COP from enforcing its rights against any COP Insurer or (b) exculpate, release or affect any rights any holder of a COP may have with respect to any COP Insurance Policy.

T. Binding Effect of Prior Orders

68. Effective as of the Confirmation Date, but subject to the occurrence of the Effective Date and subject to the terms of the Plan and this Order, all prior orders entered in the Chapter 9 Case, all documents and agreements executed by the City as authorized and directed thereunder and all motions or requests for relief by the City pending before the Court as of the Effective Date shall be binding upon and shall inure to the benefit of the City and any other parties expressly subject thereto.

U. Final Order; Waiver of Stay

69. This Order is a final order, and the period in which an appeal must be filed shall commence immediately upon the entry hereof. The stay of this Order otherwise imposed by Bankruptcy Rule 3020(e) is hereby waived as of the date hereof.

V. Reversal

70. If any or all of the provisions of this Order are hereafter reversed, modified or vacated by subsequent order of this Court or any other federal appellate court with appropriate jurisdiction, such reversal, modification or vacatur shall not affect the validity of the acts or obligations incurred or undertaken under or in connection with the Plan prior to the City's receipt of written notice of such order. Notwithstanding any such reversal, modification or vacatur of this Order, any such act or obligation incurred or undertaken pursuant to, and in

reliance on, this Order prior to the effective date of such reversal, modification or vacatur shall be governed in all respects by the provisions of this Order and the Plan and all related documents or any amendments or modifications thereto.

W. Notice of Confirmation of the Plan

71. Pursuant to Bankruptcy Rules 2002(f)(7) and 3020(c)(2), on or before ten Business Days after occurrence of the Effective Date, the City shall mail or cause to be mailed to all creditors a notice (the "Confirmation Notice"), substantially in the form of Appendix III hereto, that informs such creditors of: (a) entry of this Order; (b) the occurrence of the Effective Date; (c) the assumption and rejection of Executory Contracts and Unexpired Leases pursuant to the Plan, as well as the deadline and procedures for the filing of Claims arising from any such rejection; (d) the deadline and procedures for the filing of Administrative Claims; and (e) such other matters as the City deems to be appropriate; *provided, however,* that the City shall be obligated to serve the Confirmation Notice only on the record holders of Claims as of the Confirmation Date. The City is directed to publish the Confirmation Notice once in the national editions of *The Wall Street Journal* and *USA Today* and the daily edition of the *Detroit Free Press* no later than ten Business Days after the Effective Date. As soon as practicable after the entry of this Order, the City shall make copies of this Order and the form Confirmation

Notice available on (a) the City's official website at www.detroitmi.gov and (b) the Document Website at www.kccllc.net/Detroit.

X. Miscellaneous Provisions

72. The City is hereby authorized to make non-material modifications or amendments to the Plan at any time prior to the substantial consummation of the Plan, without further order of the Court. In addition, without the need for a further order or authorization of this Court, but subject to the express provisions of this Order, the City shall be, and hereby is, authorized and empowered to make non-material modifications to the documents filed with the Court, including Exhibits or documents forming part of the evidentiary record at the Confirmation Hearing, in its reasonable business judgment as may be necessary.

73. The City shall not, without FGIC's prior written consent, amend the Plan in a manner that (a) would have a materially adverse effect on Class 9 or (b) adversely affect FGIC; *provided, however,* that, notwithstanding anything to the contrary in this Order or the Plan, nothing in this Order or the Plan is intended to or shall be deemed to limit any rights of the FGIC COP Holders to object to any such Plan amendment.

74. On the Effective Date, the Retiree Committee, to the extent not previously dissolved or disbanded, will dissolve and disband, and the members of

the Retiree Committee and their respective professionals will cease to have any role arising from or related to the Chapter 9 Case.

75. Pursuant to the Order Resolving Corrected Motion of the Official Committee of Retirees for Entry of An Order Allowing an Administrative Expense Claim, entered on March 31, 2014 (Docket No. 3334), approving a stipulation and settlement agreement that requires the City to include a provision under the Barton doctrine first developed in Barton v. Barbour, 104 U.S. 126 (1881), and this Court having previously held that the Barton doctrine is applicable to members of the Retiree Committee, each and every member of the Retiree Committee is not only subject to protections under the release and injunction provisions of the Plan but is further protected by the provisions of the Barton doctrine and thus no action may be taken against any member of the Retiree Committee without separate relief granted by this Court.

76. The terms and conditions of the Exit Facility are fair and reasonable, and the Exit Facility has been negotiated in good faith and at arm's length. The City is hereby authorized to enter into, execute, deliver, file, record and issue the Exit Facility Documents and to incur the obligations under the Exit Facility, including the granting of liens thereunder, the payment of all fees, expenses, indemnities and other amounts provided for in each of the Exit Facility and the other instruments, agreements, guaranties and documents entered into in

connection therewith, all of which are hereby approved. The City is authorized and empowered to incur and to perform its obligations in accordance with, and subject to, the Exit Facility Documents and to perform all acts, and make, execute and deliver all instruments and documents which may be required for the performance by the City under the Exit Facility Documents and the creation and perfection of the liens described in and provided for by the Exit Facility Documents. Subject to (a) the terms and conditions set forth in the Exit Facility Documents and (b) the City's compliance with the procedures for authorizing the borrowing of money under Sections 12(1) and 19 of PA 436 and the State Local Emergency Financial Assistance Loan Board's approval of the Exit Facility under Section 36a of Michigan Public Act 279 of 1909, the Home Rule City Act, M.C.L. §§ 117.1, *et seq.* (as amended), the City is hereby authorized to issue the Exit Bonds for purchase by the MFA in accordance with the terms and conditions set forth in the Exit Facility Documents.

77. The Exit Facility Documents and the obligations of the City thereunder, including all related pledges and security agreements, shall, upon execution, constitute legal, valid, binding and authorized obligations of the City, enforceable in accordance with their terms. The loans, advances and financial accommodations to be extended under the Exit Facility are being extended, and shall be, and hereby are, deemed to have been extended, in good faith, for

legitimate purposes, are reasonable, shall not be subject to avoidance, recharacterization or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent transfers or conveyances or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

78. Notwithstanding any other provision of this Order or the Plan, as to the United States, its agencies, departments or agents, nothing in the Plan or this Order shall discharge, release or otherwise preclude: (a) any liability of the City arising on or after the Effective Date; (b) any liability that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (c) any valid defense of setoff or recoupment with respect to a Claim; or (d) any liability of any entity under environmental laws arising, continuing or springing anew after the Effective Date that any entity would be subject to as a post-Effective Date owner or operator of property, *provided that*, for the avoidance of doubt and without limiting the liabilities previously described in sub-paragraph (d), any liability that is a dischargeable "claim" within the meaning of section 101(5) of the Bankruptcy Code and arose before the Effective Date, including any liabilities for costs expended or paid by the United States under environmental laws before the Effective Date or any penalties or fines owed to the United States for days of

violation of environmental laws before the Effective Date, shall be treated as otherwise provided in the Plan.

79. The Plan does not, and shall not be deemed to, modify, limit, release, discharge or enjoin any claims (a) related to the Retirement Systems that Bank of New York Mellon in its capacity as custodian under (i) the Global Custody Agreement with the Policemen and Firemen Retirement System of the City of Detroit, (ii) the Global Custody Agreement with the General Retirement System of the City of Detroit and (iii) the Global Custody Agreement with The Board of Trustees of The City of Detroit Employees' Benefit Plan (in such capacity, "BNY Mellon") may have against persons or entities other than the City or (b) against property of the Retirement Systems held by BNY Mellon in its capacity as custodian.

80. Any document related to the Plan that refers to a plan of adjustment of the City other than the Plan confirmed by this Order shall be, and it hereby is, deemed to be modified such that the reference to a plan of adjustment of the City in such document shall mean the Plan confirmed by this Order, as appropriate.

81. Without intending to modify any prior Order of this Court (or any agreement, instrument or document addressed by any prior Order), in the event of a direct conflict between the Plan, on the one hand, and any other agreement,

instrument, or document intended to implement the provisions of the Plan, on the other, the provisions of the Plan shall govern (unless otherwise expressly provided for in such agreement, instrument, or document). In the event of a direct conflict between the Plan or any agreement, instrument, or document intended to implement the Plan, on the one hand, and this Order, on the other, the provisions of this Order shall govern.

82. In accordance with Section III.C of the Plan, if the Effective Date does not occur, then: (a) the Plan shall be null and void in all respects, including with respect to (i) the discharge of Claims pursuant to section 944 of the Bankruptcy Code, (ii) the assumptions, assignments or rejections of Executory Contracts or Unexpired Leases pursuant to Section II.D of the Plan and (iii) the releases described in Section III.D.7 of the Plan; and (b) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against the City or (ii) prejudice in any manner the rights of the City or any other party in interest.

83. To the extent that (a) the Court has held that any term or provision of the Plan is invalid, void or unenforceable and (b) with the consent of the City, the Court altered and interpreted such term or provision, consistent with Section VIII.D of the Plan, to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable: (a) such term or provision, as altered or interpreted,

shall be (i) valid and enforceable pursuant to its terms, (ii) considered integral to the Plan and shall not be deleted or modified without the City's consent and (iii) non-severable and mutually dependent; and (b) notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation.

84. Pursuant to Section IV.N of the Plan and in accordance with the Fee Review Order, the Fee Examiner shall continue to review and assess all Fee Review Professional Fees for the period through, but not including, the Effective Date pursuant to the standard of section 943(b)(3) of the Bankruptcy Code. The Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses. All fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall remain subject to review and approval of the Court pursuant to the terms of the Fee Review Order. Upon completing his review of all Fee Review Professional Fees and submitting all reports related thereto (as required by the Fee Review Order), the Fee Examiner shall have no further duties or obligations under the Fee Review Order other than obligations of confidentiality thereunder (which obligations, including, but not limited to, the confidentiality obligations set forth at

paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date).

Y. No Diminution of State Power

85. No provision of the Plan or this Order shall be construed: (a) to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; or (b) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

Z. Post-Effective Date Governance

86. The City shall promptly provide to the Court copies of any reports given to, or received from, the Financial Review Commission. Nothing in the Plan or this Order shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

AA. Retention of Jurisdiction

87. The Court shall, and hereby does, retain such jurisdiction over the City and the Chapter 9 Case as is consistent with section 1334 of title 28 and title 11 of the United States Code until the Effective Date. Notwithstanding the entry of this Order, from and after the Effective Date, the Court shall retain such jurisdiction over the Chapter 9 Case to the fullest extent permitted by law, including, among other things, jurisdiction over those matters and issues described

in Article VII of the Plan, *provided, however*, that notwithstanding Article VII of the Plan, the Court shall not have jurisdiction over any dispute between or among FGIC and the FGIC COP Holders with respect to agreements between or among them that do not involve the City, the State or any Released Party (other than FGIC and the FGIC COP Holders) as a party.

88. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over the UTGO Settlement and the UTGO Settlement Agreement and any dispute arising from or related to the UTGO Settlement Agreement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-Confirmation authority and power to implement, interpret and enforce the UTGO Settlement Agreement and all Settlement-Related Documents (as such term is defined at Section 1.2 of the UTGO Settlement Agreement), including, without limitation, all exhibits to the UTGO Settlement Agreement, the Restructured UTGO Bonds and the Municipal Obligation. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained jurisdiction under the Plan and this Order, including by way of injunction, as long as any of the Municipal Obligation, Stub UTGO Bonds or Restructured UTGO Bonds are outstanding.

89. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over the settlement of Limited Tax General Obligation Bond Claims and the LTGO Settlement and any dispute arising from or related to the LTGO Settlement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-Confirmation authority and power to implement, interpret and enforce the LTGO Settlement and all Settlement-Related Documents, including, without limitation, all exhibits to the LTGO Settlement Agreement and the New LTGO Bonds. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained jurisdiction under the Plan and this Order, including by way of injunction, as long as any of the New LTGO Bonds are outstanding.

90. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over any matters, cases, controversies, suits or disputes that may arise in connection with the FGIC Development Agreement or the Syncora Development Agreement.

CITY OF DETROIT, MICHIGAN, : Case No. 13-53846
Debtor. : Hon. Steven W. Rhodes

**NOTICE OF (I) ENTRY OF ORDER CONFIRMING EIGHTH
AMENDED PLAN FOR THE ADJUSTMENT OF DEBTS OF THE
CITY OF DETROIT AND (II) OCCURRENCE OF EFFECTIVE DATE**

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. Confirmation of the Plan and Occurrence of the Effective Date.

On _____, 2014, the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") entered an order (Docket No. _____) (the "Confirmation Order") confirming the Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (as it may have been amended, supplemented or modified, the "Plan"), in the above-captioned chapter 9 case of the City of Detroit, Michigan (the "City"). The Effective Date of the Plan occurred on _____, 20_____. Unless otherwise defined in this Notice, capitalized terms and phrases used herein have the meanings given to them in the Plan and the Confirmation Order.

2. Discharge of Claims.

a. Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan are in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, as of the Effective Date, the City is discharged from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt was Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt was allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt accepted the Plan.

b. In accordance with the foregoing, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order is a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge voids any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that such discharge does not apply to

(i) debts specifically exempted from discharge under the Plan; and (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case.

3. Releases.

a. General Releases by Holders of Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):

i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities are released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; provided, further, that nothing in Section III.D.7.a of the Plan shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties.

b. Release by Holders of Pension Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), if the State Contribution Agreement is consummated, each holder of a Pension Claim is deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State

and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

4. Injunctions.

On the Effective Date, except as otherwise provided in the Plan or in the Confirmation Order:

a. all Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims, along with their Related Entities, are permanently enjoined from taking any of the following actions against or affecting the City or its property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from the Confirmation Order): (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims and (C) Indirect Employee Indemnity Claims); (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the City or its property; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property; (v) proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth therein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and (vi) taking any actions to interfere with the implementation or consummation of the Plan; and

b. all Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan are permanently enjoined from taking any of the following actions

against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in sub-paragraph 4(a) above, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

5. Treatment of Executory Contracts and Unexpired Leases.

a. Assumption. Except for Executory Contracts and Unexpired Leases rejected in the Plan or by other court order, or as requested in any motion Filed by the City on or prior to the Effective Date, as of the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City has been deemed to assume all Executory Contracts and Unexpired Leases to which it is a party.

Notwithstanding the foregoing, Retirement System Indemnity Obligations have not been assumed under the Plan and have been discharged. For the avoidance of doubt, the City has assumed the Tunnel Lease pursuant to Section II.D.1 of the Plan.

b. Assumption of Ancillary Agreements. Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 of the Plan includes any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 of the Plan or designated for rejection in accordance with Section II.D.3 of the Plan.

c. Approval of Assumptions and Assignments. The Confirmation Order constitutes an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan or (e) are designated for rejection in accordance with the last sentence of this paragraph. The City has provided separate notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease are set forth in the Contract Procedures Order (Docket No. 6512). If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract

or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

d. Payments Related to the Assumption of Executory Contracts and Unexpired Leases. To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

e. Contracts and Leases Entered Into After the Petition Date. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

f. Rejection of Executory Contracts and Unexpired Leases. Each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan was deemed rejected as of the Effective Date pursuant to section 365 of the Bankruptcy Code. The Confirmation Order constitutes an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan is rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. Listing a contract or lease on Exhibit II.D.6 to the Plan does not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

g. Rejection Damages Bar Date. Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date, i.e., _____, 20____; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

h. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases. Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive,

or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

i. **Insurance Policies.** From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date are reinstated and continue in full force and effect in accordance with their terms and, to the extent applicable, are deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1 of the Plan. Nothing contained in the Plan shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in Section II.D.9 of the Plan shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

6. Payment of Administrative Claims.

a. **Administrative Claims in General.** Except as specified in Section II.A.1 of the Plan, and subject to the bar date provisions therein, unless otherwise agreed by the Holder of an Administrative Claim and the City, or ordered by the Bankruptcy Court, each Holder of an Allowed Administrative Claim will receive, in full satisfaction of such Allowed Administrative Claim, Cash in an amount equal to such Allowed Administrative Claim either: (1) on the Effective Date or as soon as reasonably practicable thereafter; or (2) if the Administrative Claim is not Allowed as of the Effective Date, 30 days after the date on which such Administrative Claim becomes an Allowed Claim. No Claim of any official or unofficial creditors' committee or any member thereof for professionals' fees or other costs and expenses incurred by such creditors' committee or by a member of such creditors' committee shall constitute an Allowed Administrative Claim, except that the Retiree Committee's members and the Retiree Committee Professionals shall be entitled to payment in accordance with the Fee Review Order.

7. Bar Dates for Administrative Claims.

a. **General Bar Date Provisions.** Except as otherwise provided in subparagraphs 7(b) or 7(c) below or in a Bar Date Order or other order of the Bankruptcy Court, unless previously Filed, requests for payment of Administrative Claims must be Filed and served on the City no later than 45 days after the Effective Date, i.e., _____, 20__. Holders of Administrative Claims that are required to File and serve a request for payment of such Administrative Claims and that do not File and serve such a request by the applicable Bar Date will be forever barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be Filed and served on the City and the requesting party by the later of (i) 150 days after the Effective Date, i.e., _____, 20__, (ii) 60 days after the Filing of the applicable request for payment of Administrative Claims or (iii) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims.

b. **Ordinary Course Claims.** Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations are not required to File or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the Holders of such Claims or further action or approval of the Bankruptcy Court.

c. **Claims Under the Postpetition Financing Agreement.** Holders of Administrative Claims that are Postpetition Financing Claims are not required to File or serve any

request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied as set forth in subparagraph 7(b) above.

d. **No Modification of Bar Date Order.** The Plan does not modify any other Bar Date Order, including Bar Dates for Claims entitled to administrative priority under section 503(b)(9) of the Bankruptcy Code.

8. ASF Recoupment Cash Option.

a. **ASF Recoupment Cash Option Election.** No later than seven days following the Effective Date, i.e., _____, 20_____, the City, through its Claims and Balloting Agent, will send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Notice will notify ASF Distribution Recipients that each ASF Distribution Recipient may elect to pay the total amount of his or her ASF Recoupment in a single lump sum by timely returning a properly-completed ASF Election Form. The ASF Election Form will explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (i) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (ii) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. *An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date, i.e., 35 days after the date on which the ASF Election Form is mailed.*

b. **ASF Recoupment Cash Payment.** GRS will mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. The ASF Final Cash Payment Notice is a notice that will be sent to each ASF Distribution Recipient who timely elects the ASF Recoupment Cash Option, and will indicate the amount of such ASF Distribution Recipient's ASF Recoupment Cash Payment. *ASF Distribution Recipients shall have until the ASF Final Cash Payment Date – i.e., the later of (i) 90 days after the Effective Date, i.e., _____, 20_____, or (ii) 50 days after the date of mailing of an ASF Final Cash Payment Notice – to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan.* The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.
